M2 GLOBAL CHAIRMAN NAMED TO ASSOCIATION FOR MANUFACTURING EXCELLENCE (AME) BOARD OF DIRECTORS

May 12th, 2004
San Antonio, TX

M2 Global is pleased to announce that its president & chairman of the board, Douglas Carlberg, has been appointed to the Association for Manufacturing Excellence (AME) Board of Directors. Mr. Carlberg also serves as the Southwest Regional President for AME and is leading a team in the development of benchmarking opportunities and training classes. Previously, Mr. Carlberg served as Vice President of Operations for Harris Corporation Microwave Communications Division. Under his leadership, the division's San Antonio operation received numerous awards, including the Shingo Prize for Excellence in Manufacturing, the Organization for Quality and Participation's Organizational Excellence Award, and *IndustryWeek's* Top 25 Best Plants in North America.

The AME was established in 1985 to promote awareness and education of lean manufacturing concepts, which are a requirement for a world-class enterprise. Today, AME is regarded as one of the premier not-for-profit educational organizations. *IndustryWeek* magazine has lauded the AME as "the premier knowledge transfer organization for manufacturing."

AME is headquartered in Chicago, Illinois, with international divisions in Canada, Australia, and the United Kingdom.

M2 Global, Inc. is the general partner of M2 Global Technology, Ltd. and M2 Global Solutions, Ltd. M2 Global Technology is a worldwide supplier of microwave components and contract manufacturing services. M2 Global Solutions offers consulting and training services in strategic planning, lean improvement processes, and assessment services. Additional information is available through the company's website at www.m2global.com or the AME website at www.ame.org.

M2 Global Solutions and its partner, Global Marketing and Development (GMD) Solutions (www.gmdsinc.com), draw on many years of experience in aerospace, defense, health care, communications, and other industries to provide a full range of marketing and business consulting services. Their areas of expertise include all aspects of domestic and international marketing, government contracting, and representation with lawmakers in Washington, D.C.

M2 Global Technology is an SBA service disabled veteran-owned, AS9100 and ISO 9001-registered worldwide provider of contract manufacturing services and microwave passive components for the aerospace, defense, and telecommunications industries.
