U.S. AIR FORCE SELECTS M2 GLOBAL FOR ITS MANUFACTURING TECHNICAL ASSISTANCE PRODUCTION PROGRAM (MTAPP)

October 4th, 2004
San Antonio, TX

The U.S. Air Force announced today that M2 Global Technology, Ltd. has been selected to participate in its Manufacturing Technical Assistance Production Program (MTAPP). The MTAPP was established by the Secretary of the Air Force in 1997 to assist in increasing and enhancing the competitiveness of small manufacturing firms in support of the Air Force, Department of Defense, and their prime contractors. M2 Global is one of sixty diversity small businesses selected for this program.

M2 president and CEO Douglas Carlberg noted, "The selection of M2 Global for the MTAPP team is just one more step on our lean journey. This program will better position us to support our rapidly growing defense and prime contractor base."

The MTAPP is managed by the Air Force Outreach Program Office, Brooks City Base, San Antonio, TX. For additional information on the MTAPP and other Air Force programs, visit their website at <http://www.selltoairforce.org/Programs/mtapp/index.asp>.

M2 Global Technology is an SBA service disabled veteran-owned, AS9100 and ISO 9001-registered worldwide provider of contract manufacturing services and microwave passive components for the aerospace, defense, and telecommunications industries.
