## THE ASSOCIATION FOR MANUFACTURING EXCELLENCE (AME) RECOGNIZES M2 GLOBAL TECHNOLOGY, LTD.

May 30th, 2005  
San Antonio, TX

M2 Global Technology Ltd. is pleased to announce that the Association for Manufacturing Excellence (AME) recently recognized the company for its commitment to "attainment of excellence in manufacturing and productivity". Every year

AME selects some of the best-in-class companies to feature in its manufacturing workshop series. M2 Global has been selected for three consecutive years.

M2 president & CEO Douglas Carlberg noted, "This recognition by AME reinforces that M2 Global's commitment to lean enterprise excellence is on the right track."

The AME was established in 1985 to promote awareness and education of lean manufacturing concepts, which are requirements for a world-class enterprise. Today, AME is regarded as one of the premier not-for-profit educational organizations. *IndustryWeek* magazine has lauded the AME as "the premier knowledge transfer organization for manufacturing."

The AME is headquartered in Chicago, IL with international divisions in Canada, Australia, and the United Kingdom.

M2 Global Technology Ltd. is an SBA service disabled veteran-owned, ISO-9000-2000 registered company. M2 Global is worldwide supplier of radio frequency and microwave passive components and value-added contract manufacturing services for the telecommunications, aerospace, and defense markets.

M2 Global is part of the Trilogy Defense Services (TDS), a consortium of diversity companies offering the U.S. Government and defense prime contractors the ability to easily and conveniently do business with one supplier that provides a wealth of capabilities and an umbrella of diversity. TDS includes small diversity businesses in the following categories: service disabled veteran-owned, 8(a) small disadvantaged business, Native American-owned, and woman-owned.

Additional information is available through M2's website ([www.m2global.com](http://www.m2global.com)) and the AME website ([www.ame.org](http://www.ame.org)).
